What is the Tokiwaso Manga Museum?

The former Tokiwaso apartment building was completed on December 6, 1952, at the address 5-2253 Shiinamachi in Toshima City. Although it was demolished in December 1982, thanks to the help of many supporters, it was reconstructed as a manga museum. With cooperation from manga and anime lovers, the museum is the site of planned exhibitions and other events as a hub to share manga and anime culture and pass it down to future generations.
