

The Support Center for Families with Kids are
here to help you with child-raising!

You can talk with well experienced consultants, and discuss about solutions.

We will also introduce other specialized organizations and useful services if necessary.
 Consultations can be done by email or over phone.

Refuse to eat meals

Cry at night

How to proceed toilet training?

Tears come out, when being alone

Worry about families

I (could have) hit the kid

The Terrible Twos, Horrible Threes exhausted me

Toshima-ku Child-raising Support Website

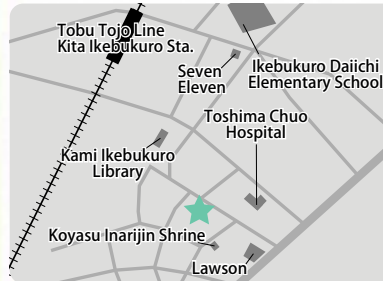

Toshima-ku Child-raising Information Handbook

A supportive magazine for child-raising.
 Check here for useful information related to child-raising from pregnancy to elementary schools!

Services at Each Center

Support Center for Families with Kids of Eastern Area

Project of Protection of Child Rights

You can consult about child rights. If you thought that "it can turn into an abuse" or "it might be abuse", instead of worrying about it alone, please talk with us.

Consultation on Child-raising and Development Rotating in Different Places

Psychological counselors will visit nursery schools, private kindergartens, facilities for school children, and consult the teachers and guardians on child development.

Support Center for Families with Kids of Western Area

Project of Supporting Child Development

We provide supports through consultation, provision of day-services and individual guidance to children with mental/physical disabilities or children with developmental concerns.

Other Services

Child-raising Support Helper

We will send helpers to families that need help on child-raising and chores.

Short-stay for Children

When guardians require hospitalization due to illness, childbirth or other reasons, the facility or cooperating families within the ward will provide temporary care for the child for up to 12 nights per year.

Parent and Kids Play Plaza (Below is only an example. There are many other lectures.)

Open Hours Monday to Sunday 10:00 - 17:00

- It is a place for information exchange and consultation while allowing the kids play there. Children from babies to preschools and their guardians can utilize the facility.
- We also hold a wide range of different lectures on child-raising.

For example,

Welcome Baby

A program for pregnant mothers so that they can give birth and raise the child with peace.

Mom's Café

This provides a chance to mothers with babies from 1 month to 3 months old to enjoy afternoon tea without hurries.

Supporting Lectures for Dad

Dad will not only improve their skills in child-raising but also have opportunities to communicate with other dads.
